

# ANTHROPOLOGY, B.A.

As of Spring 2019, this degree is in teach out phase, no new students will be admitted.

## Mission

The mission of the Bachelor of Arts in Anthropology is to provide students with a holistic understanding of the diversity of human behavior across time, geography and culture from a distinctly Christian perspective and to equip them to actively bridge cultural differences so that they can effectively share the good news of the Gospel and holistically address human problems such as injustice and the effects of globalization on populations around the world.

## Degree Program

A Bachelor of Arts degree in Anthropology is offered upon completion of the University baccalaureate and major requirements.

## Learning Outcomes

### Program Learning Outcomes

Upon completion of the Bachelor of Arts in Anthropology, students will be able to:

1. Identify major paradigms, major figures, and major theories in anthropology and explain how theory develops and shifts and the influence of Christian thinkers and thoughts (ULO 1).
2. Demonstrate they are able to form research questions, apply appropriate research methodologies, and interpret, analyze, and report ethnographic and/or archaeological data (ULO 2).
3. Recognize and respond appropriately to key challenges to and opportunities for their faith raised (ethics, integrity, and intellectual honesty) in engaging their sub-discipline in anthropology (ULO 3).

Each Program Learning Outcome (PLO) listed above references at least one of the University Learning Outcomes (ULO 1, 2, 3), which may be found in the General Information (<http://catalog.biola.edu/general-information/>) section of this catalog.

## Course Sequence

**NOTE:** The course sequence table is designed by the major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative or flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.

Taking coursework during the summer session may also be an option to accelerate your degree path.

See Core Curriculum Program section (<http://catalog.biola.edu/general-information/undergraduate-requirements-policies/#text>) for a list of approved Core Curriculum courses.
