

APPLIED PSYCHOLOGY MINOR

Program Learning Outcomes

Upon completion of the Applied Psychology Minor (<https://www.biola.edu/degrees/o/applied-psychology-minor/>), students will be able to:

1. Students will demonstrate foundational knowledge and comprehension of applied Psychology subject matter (ULO 1).
2. Students will demonstrate knowledge of and apply basic research methods in Psychology, including research design, data analysis, and interpretation (ULO 1).
3. Students will use research to understand and apply relevant psychological principles to individuals in the workplace, community, or society at large (ULO 3).
4. Students will demonstrate knowledge and skill in integrating a Biblical worldview with their work, ministry, or family life (ULO 2).

Each Program Learning Outcome (PLO) listed above references at least one of the University Learning Outcomes (ULO 1, 2, 3), which may be found in the General Information (<http://catalog.biola.edu/general-information/>) section of this catalog.
