

# THEATRE, B.A.

## Mission

The mission of the Bachelor of Arts in Theatre (<https://www.biola.edu/degrees/u/theatre-ba/>) is to produce committed Christian graduates who are prepared to express, represent, and dramatize insights and ethical messages in performances. They illustrate through acting, directing, design, and criticism insightful interpretations of dramatic literature in performance, both popular and religious. These graduates demonstrate proficiency in both theory and praxis of the theatre arts discipline.

## Degree Program

Upon completion of the University baccalaureate and major requirements, the Biola Conservatory offers the Bachelor of Arts degree in Theatre. Obtaining a degree with this major requires 47 to 62 credits, depending on the concentration chosen.

## Learning Outcomes

### Program Learning Outcomes

Upon completion of the Bachelor of Arts in Theatre, students will be able to:

1. Demonstrate accurate critical analysis through the presentation of oral and written critiques of texts and performances (ULO 1).
2. Identify and describe where and how the theatrical arts complement, mirror, and are informed by biblical values and content (ULO 1, ULO 2).
3. Exhibit collaborative skills as members of a team in the creation of artistic endeavors (ULO 2).
4. Demonstrate knowledge of theatre history and literature, applying connections between theatrical practices and social contexts (ULO 2).
5. Integrate research and critical thinking skills towards excellence in preparation and presentation (ULO 3).
6. Apply experiential training in the art and business of the theatre production process, in the classroom and on stage (ULO 3).

Each Program Learning Outcome (PLO) listed above references at least one of the University Learning Outcomes (ULO 1, 2, 3), which may be found in the General Information section (<https://catalog.biola.edu/general-information/#UniversityLearningOutcomes>) of this catalog.

## Program Requirements

### Writing Competency Requirement

Every Biola student must fulfill the Writing Competency Requirement (WCR). Students fulfill the WCR by passing ENGL 313 with a C+ or better or by earning a C+ or better in the writing capstone project of HNRS 324 for students in the Torrey Honors College. If they fail to meet this requirement, they must consult with their major advisor for an alternative WCR pathway. For more information, see the Writing Competency Requirement section (<https://catalog.biola.edu/academic-policies/undergraduate-requirements-policies/#WritingCompetencyRequirement>).
