Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Additional Fee(s): Paid Taskstream subscription required.

SEED 509 - Elementary Mathematics/Science Workshop Credits 2

During interrelated activities in program coursework and fieldwork, multiple subject teacher candidates learn, understand and use content-specific teaching strategies for helping grades K-6 students learn the state-adopted academic content standards for Math and Science. **Note(s):** This course is waived if LEDU 309 was taken as an undergraduate; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Corequisite(s): SEED 536, SEED 538.

Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Course Fee: \$25.

Additional Fee(s): Paid Taskstream subscription required.

SEED 512 - Elementary Student Teaching I Credits 6

Multiple subject teacher candidates participate in a full-time laboratory experience in school classrooms under the direction of qualified supervising master teachers and university supervisors. Seminar is required. **Note(s):** Special approval required; must pass this course with a grade of "B-" or higher; restricted to formal application and approval; must register for SEED 513 if completing student teaching in one semester.

Grade Mode: A.

Prerequisite(s): LEDU 434 or SEED 538.

Corequisite(s): SEED 513.

Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Course Fee: \$120.

Additional Fee(s): Paid Taskstream subscription required.

SEED 513 - Elementary Student Teaching II Credits 6

Multiple subject teacher candidates participate in a full-time laboratory experience in school classrooms under the direction of qualified supervising master teachers and university supervisors. Seminar is required. **Note(s):** Special approval required; must pass this course with a grade of "B-" or higher; restricted to formal application and approval.

Grade Mode: A.

Corequisite(s): SEED 512.

Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Additional Fee(s): Paid Taskstream subscription required.

SEED 514 - Secondary Student Teaching I**Credits 6**

Single subject teacher candidates participate in a full-time laboratory experience in school classrooms under the direction of qualified supervising master teachers and university supervisors. Seminar is required. **Note(s):** Special approval required; must pass this course with a grade of "B-" or higher; restricted to formal application and approval; must register for SEED 515 if completing student teaching in one semester.

Grade Mode: A.**Prerequisite(s):** LEDU 438 or SEED 539.**Corequisite(s):** SEED 515.**Restriction(s):** Must be School of Education; and Post Baccalaureate Level or Graduate Level.**Course Fee:** \$120.**Additional Fee(s):** Paid Taskstream subscription required.**SEED 515 - Secondary Student Teaching II****Credits 6**

Single subject teacher candidates participate in a full-time laboratory experience in school classrooms under the direction of qualified supervising master teachers and university supervisors. Seminar is required. **Note(s):** Special approval required; must pass this course with a grade of "B-" or higher; restricted to formal application and approval.

Grade Mode: A.**Corequisite(s):** SEED 514.**Restriction(s):** Must be School of Education; and Post Baccalaureate Level or Graduate Level.**Additional Fee(s):** Paid Taskstream subscription required.**SEED 516 - Elementary Physical Education Workshop****Credit 1**

Multiple subject teacher candidates study content-specific teaching strategies effective in promoting a variety of motor skills and abilities in students; recognition of a healthy lifestyle; games and sports; and the role of self-confidence and self-worth in relation to physical education and recreation. **Note(s):** This course is waived if KNES 201 was taken as an undergraduate; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Prerequisite(s): PSYC 200 or equivalent.**Restriction(s):** Must be a major within the School of Education or MA TESOL Young Learners specialization (ISTY); and Post Baccalaureate Level or Graduate Level.**SEED 536 - Elementary Health Curriculum and Methods****Credit 1**

During interrelated activities in program coursework and fieldwork, Multiple Subject candidates learn content-specific teaching strategies that are effective in achieving the goals of the acceptance of personal responsibility for lifelong health; respect for and promotion of the health of others; understanding of the process of growth and development; and informed use of health-related information, products, and services. **Note(s):** This course is waived if LEDU 336 was taken as an undergraduate; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Corequisite(s): SEED 509, SEED 538.**Restriction(s):** Must be School of Education; and Post Baccalaureate Level or Graduate Level.**Additional Fee(s):** Paid Taskstream subscription required.**SEED 537 - Elementary History - Social Science Curriculum and Methods****Credit 1**

During interrelated activities in program coursework and fieldwork, Multiple Subject education candidates learn, understand and use content-specific teaching strategies for helping grades K–6 students learn the state-adopted academic content standards for History-Social Science. **Note(s):** This course is waived if LEDU 337 was taken as an undergraduate; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Corequisite(s): SEED 520.**Restriction(s):** Must be School of Education; and Post Baccalaureate Level or Graduate Level.**Additional Fee(s):** Paid Taskstream subscription required.**SEED 538 - Elementary Curriculum, Differentiation, and Assessment****Credits 3**

Emphasis will be placed on curriculum and instruction through the planning and teaching of a variety of developmentally and ability-appropriate instructional strategies for all learners, including Universal Design of Learning and Multi-Tiered System of Supports (MTTS), differentiation, and assessment. **Note(s):** Candidates will complete 60-hours of fieldwork; candidates will design and teach several classroom lessons in local elementary schools; 30 hours required for full-time teachers with department approval; valid Certificate of Clearance and negative TB test results required for fieldwork; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Prerequisite(s): LEDU 420 or SEED 520; LEDU 337 or SEED 537 (may be taken concurrently).**Corequisite(s):** SEED 509, SEED 536.**Restriction(s):** Must be School of Education; and Post Baccalaureate Level or Graduate Level.**Course Fee:** \$100.**Additional Fee(s):** Paid Taskstream subscription required.

SEED 539 - Secondary Curriculum, Differentiation, and Assessment**Credits 3**

Emphasis will be placed on curriculum and instruction through the planning and teaching of a variety of developmentally and ability-appropriate instructional strategies for all learners, including Universal Design of Learning and Multi-Tiered System of Supports (MTTS), differentiation, and assessment. **Note(s):** Candidates will complete 60-hours of fieldwork; candidates will design and teach several classroom lessons in local secondary schools; 30 hours required for full-time teachers with department approval; valid Certificate of Clearance and negative TB test results required for fieldwork; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A. **Prerequisite(s):** LEDU 425 or SEED 525 (may be taken concurrently). **Corequisite(s):** SEED 533.

Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Course Fee: \$100.

Additional Fee(s): Paid Taskstream subscription required.

SEED 541 - Methods of Teaching Linguistically Diverse Students Credits 3

Students acquire knowledge of the theories, programs, and instructional practices for English language development, including first and second language acquisition and individual factors affecting language acquisition. Students discover how to apply theory to classroom practice. Instruction in content area literacy is emphasized. Principles of educational equity, diversity, and cultural and linguistic responsiveness are examined. **Note(s):** A 10-hour fieldwork practicum component is required; no reduction of fieldwork hours for full-time teachers; valid Certificate of Clearance and negative TB test results required for fieldwork; this course is waived if LEDU 341 was taken as an undergraduate; credential candidates must pass this course with a grade of "B-" or higher. **Grade Mode:** A.

Prerequisite(s): LEDU 330 or SEED 526 (may be taken concurrently).

Restriction(s): Must be School of Education; and Post Baccalaureate Level or Graduate Level.

Course Fee: \$25.

Additional Fee(s): Paid Taskstream subscription required.

SEED 544 - Elementary Curriculum Fieldwork**Credit 1**

A fieldwork course to support Multiple Subject Credential candidates in application of teaching pedagogy. **Note(s):** Fieldwork hours may vary based on department approval; valid Certificate of Clearance and negative TB test results required for fieldwork. **Grade Mode:** A.

Restriction(s): Must be Post Baccalaureate Level or Graduate Level.

SEED 546 - Secondary Curriculum Fieldwork**Credit 1**

A fieldwork course to support Single Subject Credential candidates in application of teaching pedagogy. **Note(s):** Fieldwork hours may vary based on department approval; valid Certificate of Clearance and negative TB test results required for fieldwork. **Grade Mode:** A.

Restriction(s): Must be Post Baccalaureate Level or Graduate Level.

SEED 548 - Collaborative Research**Credit 1**

Master of Science students will be assigned to a research team in the first semester of their M.S. program. The Collaborative Research class will be ongoing throughout the program, but actual enrollment in the 1 credit class will occur in the last term of the M.S. program. This class will involve collaborative research with their professor(s) and peers. Monthly research Skype sessions throughout the program will focus on the following: getting acquainted with professors and peers and supporting shared research interests; library research and literature reviews; defining the scope of each research project; clarifying the research question(s); defining terms, hypotheses, research methodologies, and procedures; assigning roles; working with permissions and university protocols; examining, summarizing, and synthesizing data from one or more research projects; writing articles to report results; planning conference presentations to share results; and planning follow-up research projects.

Note(s): Special approval required; must participate for a minimum of two terms and enroll for one credit in final semester of program for MS degree; must pass this course with a grade of "B" or higher; restricted to petition to graduate. **Grade Mode:** A.
