

# EDUCATION, M.A.ED. (SPECIAL EDUCATION)

## Learning Outcomes

### Program Learning Outcomes

Upon completion of the Master of Arts in Education, students will be able to:

1. Analyze, evaluate, and apply knowledge of current educational issues, settings, and legislative requirements from a biblical perspective (ULO 1).
2. Identify personal assumptions and generalizations related to diversity (e.g., gender, ethnicity, religion, socioeconomic status, sexual orientation, and [dis]abilities) while affirming that all students are valued as image bearers of God (ULO 2).
3. Demonstrate Christian attitudes and actions conducive to the development of professional excellence and witness to the community (ULO 3).
4. Exhibit growth in one's professional practice by utilizing professional databases, conducting empirical research, and articulating findings through effective communication in both speaking and writing (ULO 1, 2, and 3).
5. Evaluate qualitative and quantitative journal articles based on standard criteria within the profession (ULO 3).
6. Exercise discernment, individually and in team settings, creatively solving problems as contextual needs emerge within the educational community (ULO 2 and 3).
7. Demonstrate God's calling to maximize one's leadership skills, demonstrating the qualities of a constructive change agent in the educational community to advance the Kingdom of God (ULO 3).
8. Synthesize knowledge, skills, and perspectives from concentration-specific content of the master of education program to determine implications for professional practice (ULO 2).\*

Each Program Learning Outcome (PLO) listed above references at least one of the University Learning Outcomes (ULO 1, 2, 3), which may be found in the General Information (<http://catalog.biola.edu/general-information/>) section of this catalog.

\*Concentration proficiency and fulfillment of PLO 8 will be provided in the student's capstone class.

## Requirements

### Admission Requirements

- Applicants must have completed all bachelors requirements prior to the start of the program and must have a bachelors degree conferred from a regionally accredited institution prior to the start of the second term.
- Hold a preliminary credential or provide verification of the equivalent professional experience.
- Submit GRE General test scores to determine writing proficiency (waived if cumulative GPA is 3.5 or above or if CBEST and all CSET subtests are passed).
- Have a minimum 3.0 cumulative GPA on a 4.0 scale.

- Applicants for whom English is not a primary language must verify a score of 100 iBT on the TOEFL exam.
- Complete Biola University's Graduate Education application.
- Interview with a member of the School of Education.

Students enrolling in online programs will need all of the above listed admissions requirements as well as the following:

- Verify computer literacy sufficient to become actively engaged in learning online by passing an online proficiency test offered by Biola University's Distance Learning Department or providing proof of successful online learning in a prior course.
- Verify access to a computer and the Internet sufficient to engage in Biola University's Distance Learning Programs.

Official documents presented for admission or evaluation become part of the student's academic file and normally cannot be returned or copied for distribution.

## Graduation Requirements

1. M.A.Ed. core courses and Capstone must be passed with a grade of "B" or higher.
2. Candidates must complete the Master of Arts in Education with a 3.0 cumulative GPA.
3. Candidates must successfully complete one Capstone, and all professional requirements (e.g., electronic portfolio, including key assignments) related to the coursework and learning outcomes.
4. Candidates must demonstrate professional behavior as an important aspect of their preparation to effectively impact the field of education (inside and beyond the classroom). For candidates on probationary status, or where a candidate has struggled with professional dispositions (scores of 1 or 2), these concerns may prevent the candidate from moving forward in the program and graduation.
5. A minimum of 37 credits is required for the Master of Arts in Education.
6. Candidates must complete the program within six years of continuous enrollment. Candidates who are not continuously enrolled must complete the program within eight years total.
7. Candidates must meet with a department advisor and Graduate Graduation Counselor in the Office of the Registrar one year prior to graduation to declare intent to graduate. (See Graduate Graduation Check description in the Admission, Enrollment and Graduation Requirements (<http://catalog.biola.edu/general-information/admission-enrollment-graduation-requirements/>) section).

## Transfer of Credits

Students transferring from an accredited graduate program may transfer a maximum of 6 approved credits for their M.A. in Education. Courses transferred must be equivalent to Biola University's and have direct applicability to the student's program design. Only courses with a grade of "B" (3.0) on a 4.0 grade scale or higher will be considered for transfer towards the M.A. in Education degree; a grade of "B-" is not transferable. Credits considered for transfer must have been taken within five years prior to the date of admission.
