<sup>1</sup> KNES 340 or KNES 355 could also be used as an elective course.

<sup>2</sup> Other elective courses may be included with a public health faculty advisor's approval to serve a student's focused interest.

<sup>3</sup> May be taken by all undergraduate students. See the course description for any class-level restrictions, prerequisite requirements, and placement exams needed. If the selected course is not part of the student's major requirements, please discuss it with an academic advisor.

<sup>4</sup> Restricted to clinical nursing students.
