

# ROBOTICS, B.S.

## Torrey Hrs Seq

**NOTE:** The course sequence table is designed by the major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative or flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.

Taking coursework during the summer session may also be an option to accelerate your degree path.

See Core Curriculum Program section (<http://catalog.biola.edu/general-information/undergraduate-requirements-policies/#text>) for a list of approved Core Curriculum courses.

### Robotics, B.S.

**For students who enroll in more than 18 semester credits, please note the additional cost per credit in the catalog's Financial Information section (<http://catalog.biola.edu/general-information/financial-information/>).**
