

SPIRITUAL FORMATION AND SOUL CARE, M.A.S.F.S.C.

Mission

The mission of the Master of Arts in Spiritual Formation and Soul Care (<https://www.biola.edu/degrees/g/spiritual-formation-and-soul-care-ma/>) is to train servant leaders to know themselves honestly and openly before God and one another in Truth, to cultivate intimacy with, growth in and obedience to Christ and to help mend souls by the loving power of the Spirit and Word with believers of various cultural backgrounds.

Program Description

The Master of Arts in Spiritual Formation and Soul Care is designed as a personal growth, academic and professional program for specialized ministry. It is an intensive, integrative program within the Institute for Spiritual Formation at Talbot School of Theology, developed to equip men and women for the ministry of discipleship, spiritual direction, formation and soul care in the local church and for further academic training in Spiritual Formation.

The program is shaped around promoting growth in the believer's inner life of faith and prayer with God in the context of a shared community and developed knowledge-base in the Word, spiritual formation and soul care. It focuses specifically on ways to deepen one's knowledge and openness to God and His work as well as understanding of one's self and others in order to grow toward conformity of character and inner life in the image of Christ. In turn, it trains leaders in soul care to be spiritual mentors, directors and teachers who will assist others in their journey of growth in Christ and His body. In order to accomplish this, the program has a substantial emphasis on understanding the dynamics of the Indwelling Holy Spirit as they interface human personality and relational dynamics. These integrative endeavors are enhanced by the Institute's diverse University-wide faculty which draws particularly upon Rosemead School of Psychology and Talbot School of Theology, bringing a wide range of expertise and experience to bear upon the process of human spiritual growth and soul care.

Because the program is experiential, theoretical and mentoring in nature, the Master of Arts in Spiritual Formation and Soul Care is fashioned along the lines of an Apprentice Training Model.

The Master of Arts in Spiritual Formation and Soul Care is intended to help prepare students for professional and lay ministry as associate pastor and teacher of adult ministries, spiritual director, teacher, mentor, leader in discipleship as well as preparation for further education and training in Spiritual Formation to teach in Christian university and seminary contexts.
