

# MESSIANIC JEWISH STUDIES CERTIFICATE

## Mission

The Certificate in Messianic Jewish Studies (<https://www.biola.edu/degrees/g/messianic-jewish-studies-certificate/>) is offered to meet the educational needs of students who desire seminary-level training, but who are not necessarily pursuing a Master of Divinity degree. It is ideal for those who are already serving in the field of Jewish ministries as well as those who are exploring the possibility of such ministry as outreach workers, congregational leaders or support personnel.

Chosen People Ministries has partnered with Talbot School of Theology to offer this 18-credit certificate in order to inspire, equip and send students into the harvest on a strategic mission to reach Jewish people for the Messiah. Certificate coursework may later be applied toward a Master of Divinity degree.

## Admission Requirements

Applicants must possess a Bachelor of Arts degree or its academic equivalent from an accredited college with a minimum grade point average of 2.6 (on a 4.0 scale). Applicants who do not possess a Bachelor of Arts degree or its academic equivalent from an accredited institution may still apply and may be provisionally admitted at the discretion of Talbot School of Theology.

All applicants must submit a written statement outlining their vocational objectives and how the certificate relates to those objectives.

Note: This program is conducted in New York.

## Completion Requirements

1. Satisfactorily complete all courses for a total of 18 semester credits as outlined in the curriculum below.
2. Complete the online introduction to theological research and writing by the end of the second semester.
