

SPIRITUAL FORMATION CERTIFICATE

Overview

The Certificate in Spiritual Formation (<https://www.biola.edu/degrees/g/spiritual-formation-certificate/>) is an introductory yet intensive, integrative program within the Institute for Spiritual Formation at Talbot School of Theology, designed to assist individuals in their personal growth, provide some training in lay ministry of spiritual formation in the local church and give the student opportunity to understand their giftedness in order to determine whether the Lord is calling them to more training and preparation for ministry.

The program is designed entirely around promoting growth in the believer's inner life of faith and prayer with God in the context of a shared community and developed knowledge-base in the Word, spiritual formation and soul care. It focuses specifically on ways to deepen one's knowledge and openness to God and His work as well as understanding of one's self and others in order to grow toward conformity of character and inner life in the image of Christ. In order to accomplish this, the program has a substantial emphasis on understanding the dynamics of the Indwelling Holy Spirit as they interface human personality and relational dynamics. These integrative endeavors are enhanced by the Institute's diverse university-wide faculty that draws particularly upon Rosemead School of Psychology and Talbot School of Theology, bringing a wide range of expertise and experience to bear upon the process of human spiritual growth and soul care.

Certificate course work may later be applied toward a Master of Divinity or Master of Arts degree.

Mission

The mission of the Certificate in Spiritual Formation is to introduce believers to the processes involved in knowing themselves honestly and openly before God and one another in Truth, in cultivating intimacy with, growth in and obedience to Christ, in the training in lay ministry of spiritual formation in the local church which, in turn, gives opportunity for students to explore their calling and potential need for more training in ministry.
